"Re-Gifting Grace, Cont'd"

Nurse!!

Yes, we need one, or maybe two. Tim Allen would appreciate having a couple of medical professionals to attend to a small but important task for an hour or so every month. We have some First Aid kits in key locations around the building. It would be very helpful to Tim if a couple of nurses could periodically inventory those kits and order necessary supplies. Please contact him at tallen@fumccoppell.org for more information.

The Doors!

No, we're not talking about the sixties rock band featuring Jim Morrison! We're talking about the metal exterior doors around the entire facility. Most of them have never been painted since they were installed so, besides looking bad, they are vulnerable to rust. Is there a Sunday School class which would take on this project for the spring? It would only take a couple of workdays (or mornings) over the next few months to 1) preserve the doors 2) improve the aesthetics of the facility 3) save the church some labor costs. Contact Tim at tallen@fumccoppell.org if your class or you and some friends would be willing to do this.

Judge Not

In our Disciple Bible Study II class, we came across a poignant reminder of this issue which so many of us struggle with as people of faith. In citing Jesus' response to the woman caught in adultery (John 8:2-11), the lesson reminds us of the challenging balance we're called upon to keep: **Radical Imperative** on one hand, no softening of the holiness of God; **Radical Compassion** on the other hand, no limiting the mercy of God. (see also John 3:17 and 12:47)

Clean Up Their Mess!

If you've walked around Andy Brown or Moore Parks this winter while the vegetation is dormant, you've easily seen a great deal of trash which people have carelessly tossed. So why don't you join our Disciple II class Wednesday morning, March 3rd at 9:00 am, to be kind to God's creation and our City of Coppell by doing a trash pick-up? We'll meet in the parking lot just east of the playground near the Rec Center and work until about 11:30 am. Then ... it's one Big lunch!

Snopes It!

Do you receive - - and forward - - a lot of those viral e-mails which most often either "reveal horrible truths" about someone (like the President, current or past) or tell unbelievable or heart rending stories? Most of the time the truths are false and the unbelievable stories are exactly that. You can check all these urban legends at www.snopes.com to get a better picture of the real story. Help curb vicious rumors, unnecessary distress and wasteful scams. Snopes ... then send.

Sabbath What?

Ponder this quote which Susan Walsh had attached to our weekly prayer list. And as you do, answer these questions.

How ya doin' with the "sabbath rest" stuff? Beyond a job, what else about your personal lifestyle and family involvements, especially on Sundays, is more akin to work than rest?

"Man ... heaps up wealth, not knowing who will get it" Psalm 39:6 NIV
We need one day in which work comes to a screeching halt. We need one twenty-four hour period in which the wheels stop grinding and the motor stops turning. We need to stop...

Slow down. If God commanded it, you need it. If Jesus modeled it, you need it... Take a day to say no to work and yes to worship.

During the week, confirmands may contact the church office at 972-462-0471 to schedule an interview.

Contemporary Corner

This new addition to the newsletter will be the place to find out about what's new with the Contemporary Service. Since the Heartfire Praise Band is the heart and soul behind this service at 9:45 am each Sunday, we thought we would start off by introducing you to everyone involved in the Heartfire Band. Each newsletter will focus on one of the band members or one of those behind-the-scenes folks who keep the service going each week. This week meet:

Joyce Alcorn

Joyce does vocals and plays acoustic guitar and has been a member of the Heartfire Band for five years. She is a registered nurse and is the school nurse at Coppell Middle School West.

Joyce said, "The best part about being in the Heartfire Band is that it provides an opportunity to participate in worship music, personally being challenged with a genre of music I had not played before and developing friendship through a common love of music."

Make a Request

Did you know that the Heartfire Band takes requests? If you have a favorite Christian song that you would like to hear them play, let Heartfire Band leader Mark Cozart know and he'll do his best to make it happen. Email him at cozy052005@yahoo.com.

- Do you own a vacation home that you wouldn't mind donating for a week or so?
- You can purchase something and donate it to the auction.
- Donate the gift of service. Mowing a yard or babysitting are excellent auction items
- Do you quilt, sew, knit, paint, woodcraft? You can share your talent by making something and donating it to the auction.
- Do you have extra, unused toys and gifts stashed in your supply closet? Dig them out and donate them to the auction.

Lent: An Invitation from God

Lent is a season of being invited by God in a deeply personal way. "Come back to me, with all of your heart," God calls to us. Yes, of course we want to have a deeper relationship with God, we tell ourselves. We want to respond, but we aren't quite ready yet, our hearts are not prepared. We want to wait, turn away, avoid. We are not ready to get up close and personal with God and let God love us.

God calls to us again: "Come back to me, with all of your heart". This is the invitation of each of the 40 days of Lent. The Lenten season is an extraordinary invitation to each one of us to reflect on our life with God, to turn toward God, and to let God love us. Will you come?

Prayer for Lent

Loving God, you call us back to you with all of our hearts. I feel your call for me deep in my heart and I know you want me back as much as I want to return. Give me the wisdom to know how to return to you with my whole heart. Make my journey back to you this Lent one of prayer, reflection and love. Amen.

Bits & Pieces

Excerpts from Fred Conger's Remarks About Our "We're So Close..." Effort.

You have all heard about the new ministry opportunities the Ministry Center would make available to our youth and adults. And that it would provide needed classroom and event space. You have all seen the well designed plans and had opportunities to ask questions and get answers about this endeavor.

So today I want to speak to you about the reasons for my commitment to this project.

We need this new center to house new and expanded ministries. It truly is our future if we are to continue to be about the business of being the best church we can be.

Judy and I have supported the past building campaigns. It was dreadfully obvious that we needed a new sanctuary and classroom space in 1984 and again in 1999. Those two building campaigns were easy to support because we received direct value.

But why do we personally support this building project? We don't have young children or youth left at home. Our "baby" is a 34 year old US Naval Officer whose family lives out of state. So what personal value will we get out of this new Ministry Center?

My answer is "I'm not sure. But more importantly, it does not matter."

The Pathway to the future campaign is in response to the current and future needs of the ministry of First United Methodist Church of Coppell, my church. When I joined in 1982 I took a pledge to support the ministry of my church with my gifts. And I have repeated that vow many times with new members as they became a part of our church family.

Today I am asking you, that if you are financially able, to please complete a pledge form and make a 3 year commitment to this important project. **We are so close!** Together we can make this happen.

Costume Committee Needs Your Help

If you have a sports coat that you no longer wear or no longer need, could you please allow the Costume Committee to borrow it? We are in need of black, beige or light blue sports coats in sizes 36 through 40. If you would like to donate it...we would love it! If you want it back, please put your name on the inside so we can

easily identify who it belongs to! Contact Judy White, Thewhites12@verizon.net

Mark your calendars for Sunday, February 28th for the FUMC Music Ministry's Annual Chili Cook-off. This year we will be adding a homemade pie feature to our event so that after you have filled up on all the yummy chilis you can take home a pie to round out your dining experience!!!

There are many ways to participate! Join the fun and prepare your best Chili recipe to share, bake your family's favorite pie for others to purchase or plan on lunch at church that day! Serving will begin at 11:00 am following the 9:45 am service and will continue until all the chili is gone after the 11:00 service. No decorating of tables required, but we are asking for a \$10 entry fee. Chilis will be "judged" in a variety of categories!

If you would like to cook chili or bake a pie please contact Kim Conner at kim.conner@tx.rr.com. Please help us round out our budget by participating in this fun event! There is no charge to come eat your fill. Donations will be accepted, and pies will sell for \$10.

Buying Scrip Cost You Nothing Extra

Scrip Sales is the primary way we fundraise for the youth ministry of our church for their summer combined youth and music mission trip. Basically the program works like this:

- You purchase gift cards or gift certificates from the church at the value of the card/certificate. Just a few examples of places are Wendy's, Wal-Mart, Tom Thumb and many more. (you pay NOTHING EXTRA).
- The company who supplies us the card rebates a portion of the proceeds back to the youth music ministry.
- Again, you pay NOTHING EXTRA and the church benefits from you purchasing your various household shopping needs through the church – it's really that easy.

You can choose to designate your purchases to a specific youth or simply choose to have your purchases go toward general scholarships for students in need. If you can't stop by the table in Wesley Hall on Sunday mornings then simply fill out the order form in the church office (or on your *First News* online) and submit it to the Nathan Frank nfrank@fumccoppell.org. All orders received by 6:00 pm on Sundays are generally available the following Sunday.

Make SCRIP part of the way you support the youth ministry of our church.

Chancel Flowers for 2010

There is still time to sign up for the donation of chancel flowers for Sunday morning worship in 2010. Call the church office during regular business hours. The cost of each arrangement is \$55 and the church will bill you directly.

Available Dates		
March 14	May 16	October 24

The beneficiaries of these items will be CCA-sponsored New Hope Learning Center in Lewisville and Captain's Hope kids, an organization serving homeless children in North Texas. ****PLEASE BRING YOUR ITEMS TO WESLEY HALL BY THIS SUNDAY, FEBRUARY 28th.**

We need your faith stories from kids! Anything you feel like you'd like to share about a child blessing your life or leading us along the journey of faith. Please email jscott@fumccoppell.org.

And A Little Child Shall Lead Them...

Towards the end of the week of VBS last year one of our youth helpers had been in there with me each morning as we fed the coin counter and totaled up the \$ collected for the mission offering, and he said the cutest thing.

He said, "Miss Kristi, do you think I could have some of the money?" I politely explained why we were collecting it and that people who gave to this cause would be most unhappy if we allowed anyone else to have a part of the money they worked hard for and then chose to give for the cause of helping those in Africa get clean water. Then he said, "Yes, I understand...but I really like money and would like to have some of this." It makes me smile each time I see him or even have his thoughts cross my mind. Too funny! Gotta love the honesty, for sure! I used this as a "teaching moment" with my 2 kids so they would never get any ideas about skimming some off the top of any collection.

Valentine's Day Packages

A group of dedicated volunteers sent valentines to our college-aged youth. Read below one response we received.

Howdy!

I have been at college for only a semester so far, but I've already learned a few things:

- First: If you are not studying, you are in class or trying to manage getting at least four hours of sleep during the weekdays.
- Second: Sundays and school nights are time for work.
- Third: Its very easy to forget about church or religion while studying plate tectonics or the dreaded microeconomics.

I had forgotten my church family until today, February tenth, when I found a large package crammed into my P.O box. This package was filled to the brim with candies, notes, encouragement, and reminders from the people i had left at home less than six months ago. I cannot express how nice it is to read these notes and to remember what was once such a major part of my life, which now lies cast aside behind academics.

Thanks for the reminder of what's most important in life!

Martin Dungan, Aggieland, Class of '13

Bakers Needed

The Bread Ministry delivers bread and information packets to our first time visitors. Please help us keep our bread ministry stocked with your **homemade bread**. If you could bake some loaves and bring them to the church, we have freezer space available in the small kitchen off of Wesley Hall.

The Bread Ministry Bakers Corner

Nestle's Chocolate Nut Bread

4 cups all-purpose flour	1 3/4 cup milk
1 cup granulated sugar	2/3 cup vegetable oil
1 tsp baking powder	12 oz. Nestle Toll House semi-sweet morsels
1 tbsp baking soda	1 1/2 cup chopped walnuts
1 tsp salt	
2 large eggs	

Directions:

Preheat oven to 350°. Grease two 9 X 5 loaf pans. Combine flour, sugar, baking powder, baking soda and salt in a large bowl. Combine eggs, milk and oil in medium bowl. Add to flour mixture, mixing until just moistened. Stir in 1 1/2 cups morsels and nuts. Spoon into prepared loaf pans. Bake for 55 to 60 minutes or until toothpick comes out clean. Cool in pans 10 minutes on wire racks. Remove from pans to cool completely.

Then microwave remaining morsels in a heavy-duty plastic bag on HIGH power for 45 seconds; knead the bag to mix. Microwave at additional 10 to 20 second intervals and knead each time until smooth. Cut one of the corners off the bag and squeeze to drizzle over bread. Sprinkle with remaining nuts.
